Warning!

Let's Just skip to the hunt chapter.

the hunt.

So they went on their journey.

A 96 mile journey of horror.

All the way from the middle to the edge of OOO.

how many more miles!
76
ugh
lets just head back.
NO.
but our parents are probably scared. Its late.

Nah.
Later.

At my
here tea

Uh
maybe?

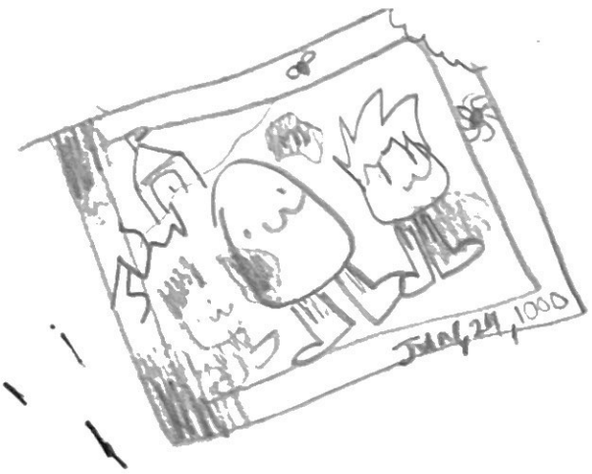
"G 2:
SKYLANDS

This book takes plac 1022 years before the "begging" but for 1022 years the eg speices thrived until they went extint. heres a Picture and some bones



The chicken race flew away for no apperant reason so the egs went extinct. dont worry they go extinct in the 5th book.
